AUTOMATED COMMUNICATIONS & VERIFICATION GUIDE

Final reviewed wording for platform implementation

SYSTEM OVERVIEW & LIFECYCLE TRIGGERS

All B2B LINK accounts are unified wholesale accounts that can be used to both buy and sell products.

Newly registered accounts remain in Pending Verification status until the required business checks have been completed. Verification confirms that B2B LINK has carried out its membership checks; it does not guarantee a company, product or transaction.

APPROVED DEPARTMENT NAMES

- B2B LINK Support Team - General enquiries, welcome messages and account help.
- B2B LINK Verification Team - Business verification, additional information requests and account reviews.
- B2B LINK Membership Team - Membership plans, renewals and account-plan matters.
- B2B LINK Trading Support - Trading Board and listing assistance.

FINAL TERMINOLOGY STANDARD

USE (APPROVED)	AVOID / REPLACE
Verified Member	Certified business / approved trader
Business Verification	KYC, unless legally required for a specific process
BUY / SELL listing	WTB / procurement request, unless intentionally used
B2B LINK Support Team	Compliance Desk for ordinary customer support
Under Review	Suspended, unless the account has actually been suspended
Buyer-Seller Match	AI Match / Smart Match in customer-facing core terminology

Implementation note: Customer-facing automated communications should be sent from the appropriate B2B LINK department rather than a named individual, so messaging remains consistent if staff responsibilities change.
